THE STATE OF NEW HAMPSHIRE

TOWN WARRANT 1986

To the inhabitants of the Town of Fitzwilliam, in the County of Cheshire, in said state, qualified to vote in town affairs, you are hereby notified to meet at the Town Hall in said Fitzwilliam on Tuesday, the eleventh day of March next at seven (7:00) o'clock in the afternoon to act on the following subjects:

ARTICLE 1. To bring in your votes for the election of one Selectman for three years, one Selectman for two years, one Treasurer for three years, one Town Clerk for three years, one Tax Collector for three years, one Fireward for three years, two members of the Budget Committee for three years, two members of the Planning Board for three years, one Trustee of Trust Funds for three years, one Trustee of the Library for three years, one Moderator for two years, one Cemetery Commissioner for three years, one Cemetery Commissioner for one year, one Supervisor of the Checklist for six years, and three Commissioners of Plante Memorial Park for one year.

ARTICLE 2. (by ballot) (by petition) "Shall we adopt the provisions of RSA 72:37 for the exemption for the blind from the property tax? This statute provides that every inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of $15,000.00."

Polls will open not later than 2:00 p.m. and close not earlier than 7:00 p.m., or at such later time as shall be authorized by vote of the town.

ARTICLE 3. To hear and act upon the reports of agents, committees and officers heretofore chosen.

ARTICLE 4. To see if the town will vote to appoint a committee to have charge of the Memorial Day exercises, or take any action thereon.

ARTICLE 5. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE 6. To see if the town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and the Anti-Recession Act of 1976 for use as set-offs against budgeted appropriations for the following priority purposes in the amounts indicated, or take any other action thereon:

APPROPRIATION	AMOUNTS
Highway Department	$19,000.00
Police Department	$ 5,000.00
Fire Department	$ 5,000.00
TOTAL	$29,000.00

ARTICLE 7. To see if the town will vote to raise and appropriate the sum of $35,000.00 to be combined with funds provided from the State of New Hampshire for the reconstruction of the Rhododendron Road, or take any action thereon.

ARTICLE 8. To see if the town will vote to raise and appropriate the sum of $65,000.00 for reconstruction work on the Royalston Road, or take any action thereon.

ARTICLE 9. To see if the town will vote to raise and appropriate the sum of $25,000.00 for the resurfacing of town roads (asphalt and grits), or take any action thereon.

ARTICLE 10. (by ballot) "Shall the town accept the provisions of RSA 53-B:1 to 11 inclusive providing for the establishment of a regional refuse disposal district, together with the Towns of Chesterfield, Harrisville, Marlborough, Nelson, Roxbury, Surry, Swanzey, Troy and Westmoreland and the City of Keene, and the construction, maintenance, and operation of a regional refuse disposal facility by said district in accordance with the provisions of a proposed agreement filed with the selectmen."

ARTICLE 11. To see if the town will vote to raise and appropriate the sum of $2,343.22 to fulfill the terms and conditions required by the Ashuelot Valley Refuse Disposal District for new members entering the district, or take any action thereon.

ARTICLE 12. (by petition) "To see if the town will vote to raise and appropriate the sum of $15,000.00 to restore the sidewalks which were formerly on Route 119 and Lower Troy Road -- or a part thereof, each year, until finished -- a dirt walk, with curbing, for protection. We are the only town in the region without sidewalks."

ARTICLE 13. To see if the town will vote to raise and appropriate the sum of $200.00 for the support of the Grand Monadnock Arts Council, or take any action thereon.

ARTICLE 14. To see if the town will vote to raise and appropriate the sum of $1,100.00 to fund the Home Health Care and Community Services and Meals on Wheels program to the elderly shut-in citizens of Fitzwilliam as sponsored by the Cheshire Senior Services, or take any action thereon.

ARTICLE 15. To see if the town will vote to raise and appropriate the sum of $1,415.00 for the support of the Monadnock Family Services, or take any action thereon.

ARTICLE 16. To see if the town will vote to raise and appropriate the sum of $1,000.00 for the purchase of protective clothing for the use of the fire department, or take any action thereon.

ARTICLE 17. To see if the town will vote to raise and appropriate the sum of $1,800.00 to support the operation of the Meadowood County Area Fire Department, or take any action thereon.

ARTICLE 18. To see if the town will vote to raise and appropriate the sum of $10,000.00 to establish a capital reserve trust fund for the purpose of purchasing equipment for use of the highway department, or take any action thereon.

ARTICLE 19. To see if the town will vote to raise and appropriate the sum of $10,000.00 to be used to start the conversion of the 1976 GMC cab and chassis acquired from C. R. Bard and accepted by the town under Article 2 of the special town meeting of August 28, 1985 to provide a pumper-reel truck replacement for the 1954 Ford, with the balance of said conversion to be completed in 1987, or take any action thereon.

ARTICLE 20. To hear the report of the Budget Committee and pass any vote in relation thereto.

ARTICLE 21. To see if the town will vote to transfer the land received by the town from the heirs of Marshall P. Whitcomb under Article 11 of the 1977 annual meeting of the town and the land acquired by Tax Collector's deed from the Mabel Whitcomb estate to the Conservation Commission, with said tracts of land to be managed by the Conservation Commission in accordance with RSA 36-A:4 (as amended), or take any action thereon.

ARTICLE 22. To see if the town will vote to authorize the Selectmen to sell tax deed property, or take any action thereon.

ARTICLE 23. To see if the town will vote to authorize the Board of Selectmen to trade, sell or otherwise dispose of any unusable vehicles or equipment of any of the departments of the town, or take any action thereon.

ARTICLE 24. To see if the town will vote to authorize the Planning Board to prepare and amend a recommended program of municipal capital improvement projects over a period of at least 6 years in compliance with RSA 674:5, or take any action thereon.

ARTICLE 25. (by petition) "To see if the town will vote to oppose the burial, storage, transportation and production of high level readioactive waste in the town of Fitzwilliam and State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the US Department of Energy's (DOE's) present plan to dispose of radioactive waste and into the DOE's competence to carry out such a plan. The record of the vote on this article shall be transmitted to the Governor of New Hampshire, the New Hampshire Congressional Delegation, and to the President of the United States."

ARTICLE 26. To see if the town will vote to authorize the Selectmen to grant a franchise to a cable television company to provide cable television service in and to the Town of Fitzwilliam in accordance with RSA 53-C:1-5, or take any action thereon.

ARTICLE 27. To see if the town will vote to amend the dump-junkyard ordinance adopted under Article 27 of the annual meeting of the town of 1968 by substituting therefor and adopting as a town ordinance the provisions of RSA 236:11 and RSA 236:129, or take any action thereon.

ARTICLE 28. To see if the town will vote to adopt the following ordinance concerning consumption of alcoholic beverages in public places: "In accordance with the provisions of RSA 41:11 (as amended), no person shall drink any alcoholic beverage or alcoholic liquors as defined in RSA 175:1 (as amended), upon any public street, public highway, public sidewalk, public parking area, public building, public common, public park, or public recreational area within the Town of Fitzwilliam without a permit from the Board of Selectmen. Any person who violates the provisions of this ordinance shall be guilty of a violation."

Article 24 - Voted to raise and appropriate the sum of $10,000. for the purpose of crushing gravel.

Article 25 - Negative vote on this article about procuring and developing land within the village district to erect a building to house fire fighting equipment and to continue to study the status of the village fire/police station.

Article 26 - Voted to raise and appropriate the sum of $10,000. to be to the Fire Dept. capital reserve fund established under Article 11 of the annual meeting of the town in 1966.

Article 27 - The budget passed with various amendments and negative votes in the amount of $619,966.

Article 28 - Voted to authorize the Selectmen to sell tax deeded property and to advertise 2 weeks before the sale in a general newspaper and post in the town hall and post office.

Article 29 - Voted to authorize the Board of Selectmen to trade, sell or otherwise dispose of any unusable vechiles or equipment of any of the departments of the town.

Article 30 - Voted to authorize the Selectmen to apply for, to accept and expend on behalf of the town or any dept. thereof, any and all grants or other funds for municial purposes which may now or hereafter be forthcoming over and above the total appropriation voted by the town.

Article 31 - (By Ballot) This was a negative vote with the following results: YES 28 and NO 58. To accept the provisions of RSA 53-B:1 to 11 inclusive providing for the establishment of a regional refuse disposal district.

Meeting adjourned at 10:28 PM. All elected officials were sworn in as by law prescribed.

Respectfully submitted,

Jane R. Wright
TOWN CLERK

SPECIAL TOWN MEETING
TOWN OF FITZWILLIAM

AUGUST 28, 1985

The Special Town Meeting was called to order at 7PM by Moderator, William N. Prigge. The following was acted upon with the results being:

Article 1 - Voted to authorize the Selectmen to give an easement to the Fitzwilliam Village Water District for the purpose of installing and maintaining a pipeline from property now or formerly of Laughner to the town hall, and to authorize the Selectmen to enter into an agreement with the Fitzwilliam Village Water District to install a storage tank in the town hall for the use of the District.

Article 2 - Voted to authorize the Selectmen to accept a 1976 GMC cab and chassis from C.R. Bard, Inc. for the use of the Fire Department as a replacement vehicle for the present 1954 Ford Pumper-reel truck.

Article 3 - Voted to authorize the Board of Selectmen to convey a deed without covenants to the former site of the schoolhouse for school District No. 2 of the Town of Fitzwilliam, and as part of said deed to convey any rights of occupancy for schoolhouse purposes that said school district No. 2 of the Town of Fitzwilliam may have in said property, to Robert P. Methe and Velma J. Methe.

Meeting adjourned at 7:06PM

Respectfully submitted,

Jane R. Wright
TOWN CLERK

SELECTMEN'S REPORT 1985

The Town continues to grow, our estimated population is now 1805 or double what it was 20 years ago. The transfer of properties reached a record of 170 changes for 1985. Sixty-two building permits were issued of which 24 were for single family dwellings, 3 permits were issued for manufactured housing. Real estate values continue to increase which results in a lower equalization value that now stands at 69% for 1985.

During the redecorating of the upper hall it was discovered that the roof flashing around the chimneys needed to be replaced. While this work was being done several problems were found on the steeple. One of the urns was completely off its base and was hanging from the lightning rod cable. Also the shingles on the 3 levels above the bell deck needed to be replaced. The gold leaf on the weathervane and clock faces was pitted and needed to be renewed. The large wooden ball at the top of the steeple was found to be rotted in the center. This was wrapped with fiberglass and coated with resin. So starting from the top the weathervane was gold leafed, the shaft trued up and painted. The three upper decks were shingled, the clock faces were painted and gold leafed. Then the entire steeple was given two coats of paint down to the main roof. What was thought to be a minor repair turned into a major project.

Solid waste disposal and dump operation have been the subject of numerous selectmen's reports over the years. These subjects have also been discussed at several town meetings - 1986 will be no exception. At the present time we operate a trash compactor station and haul our waste to the Jaffrey landfill. We have an annual contract with Jaffrey to provide this landfill service. However we have no guarantee as to how long their landfill will remain open. We do know that environment consideration are more stringent and it would appear to be only a matter of time before most landfills built under older standards will be closed.

The town has been a member of an area planning district which is mandated by State Law. The goal of this planning district is to arrive at an environmental sound long range plan for handling solid waste, furthermore the concept is that few towns can arrive at such a plan all alone hence the district approach.

Approximately a year ago several towns along with the City of Keene took the next step in the process and established a second district under the provision of RSA 53B. The purpose for this district was to implement the solid waste planning and establish a facility. We voted at the 1985 annual town meeting not to join this implementation district.

This year we have again placed the subject on the warrant for your reconsideration. During the past year there have been many meetings and progress has been made towards a central solid waste facility. There is no question in our minds that a facility of some type will be built and furthermore all of the towns in this area will end up utilizing it. It is also clear that the facility will be built by the District established under RSA 53B. Our choice is to either join the district, pay our dues, and have an input into the plan, or accept whatever

arrangement we can get later. The Board of Selectmen recommend that the town vote to join the Ashuelot Valley Solid Waste District under article 10 of the town meeting warrant.

This year we are proposing two major highway projects. Initially we had planned to reconstruct the Royalston Road from Holman Road to the state line. Following completion of this project our next goal was to be the Rhododendron Road. During the past year we met with the State Highway department and discussed the status of the Rhododendron Road. According to the RSA's this road from Route 119 to the state park is a special catagory Class II State Highway. While the legislature established this category the state highway has never taken over the road because it wasn't brought up to their standards. Our discussion covered a number of alternatives available to us. What we agreed to was a general upgrading of the road to be accomplished under the direction of the state highway department. The town to contribute one dollar to every two dollars from the state, and after completion of the project the town would retain responsibility to maintain the road. This project while not next on our list appeared to good to turn down consequently we are requesting the town share of the funding.

Royalston Road has long needed major reconstruction. We don't feel we can wait another year and are requesting funds to start the project. We are suggesting that the road be done piece meal and this year propose to do a stretch from Kemp Brook Road to the Club Pond inlet. We are proposing to bring shoulders and culverts, leaving the resurfacing for a subsequent year. We are currently planning to hire a supervisor for this project so as to not overload the road agent.

The computer system we recommended last year has been purchased and is in operation. We are very pleased with the overall system and the transition period has been smooth. In this respect particular praise is due Miss Mary Crooke, Mrs. Virginia Crooke, and Mrs. Jane Wright who have done the bulk of the work, along with our consultant Mr. John Leahy. An example of the work this system provides is the property tax listings and transfers found in this town report. We have also done the resident tax bills, property tax bills and checklist. Several other programs including an inventory of town owned equipment and a record of town expenditures are in progress. The overall system has met our expectations in terms of increased accuracy, reduced clerical time thus reduced cost, and expanding the availibility of management information.

February 13, 1986

Board of Selectmen
Town of Fitzwilliam, New Hampshire

We have examined the financial statements of the various funds and account groups of the Town of Fitzwilliam, New Hampshire, for the year ended December 31, 1985, and have issued our report dated January 29, 1986. As part of our examination, we made a study and evaluation of the Town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such an evaluation is to establish a basis for reliance on the system of internal accounting control in determining the nature, timing, and extent of auditing procedures that are necessary for expressing an opinion on the financial statements.

The objective of internal accounting control is to provide reasonable, but not absolute, assurance as to the safeguarding of assets against loss from unauthorized use or disposition and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed derived benefits and that evaluation of these factors necessarily requires estimates and judgments.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgment, carelessness or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally with respect to the estimates and judgments required in the preparation of the financial statements. Further, projection of any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions and that the degree of compliance with the procedures may deteriorate.

Our study of the system of internal accounting control for the year ending December 31, 1985, would not necessarily disclose all weaknesses in the system because it was based on selective tests of accounting records and related data. The study and evaluation disclosed the no weaknesses which we consider to be material. The following recommendations were developed from our

observation of the Town's operations and are not the result of any special study.

BANK RECONCILIATIONS

Our examination revealed minor variances in reconciled bank balances and books balance during the year. We strongly urge that all variances be cleared on a month to month basis. Error isolation and correction may become unduly time consuming as subsequent activity obscures the problem. Ultimately control over cash could be lost.

DEPOSIT OF CASH RECEIPTS

We noted that occasionally an inordinate amount of time passed between physical receipt of cash and actual bank deposit. While we acknowledge that the cash receipts are stored in the Town's safe and understand that the bank is some distance away, we believe that it is important to deposit cash receipts immediately. The Town would then realize maximum interest revenue and might experience fewer bad checks.

TAX COLLECTOR'S LEDGER

During 1985 the Town successfully computerized its tax billing process. We commend Town officials for the smooth transition. Many communities have not fared as well. In the process the Tax Collector's taxes receivable ledger was produced on plain computer paper. We believe that this ledger would be much simpler to use if a preprinted form similar to that formerly employed was provided.

A letter of this nature concentrates on identified problem areas. We do not mean to imply criticism of Town Officials but to highlight areas where we believe operating systems can be strengthened. We wish to express our thanks to the officials of the Town for their assistance during the course of our audit.

Very truly yours,

Carey, Vachon & Clukay

FIREWARDS REPORT

1985 CALLS

The Fitzwilliam Fire Department responded to 144 calls in the period from December 1, 1984 through November 30, 1985. These included 4 structure fires, 13 chimney fires, 8 brush fires, 7 motor vehicle accidents, 11 Mutual Aid calls, 2 car fires, 92 rescue calls, and 7 miscellaneous calls such as automatic fire alarms and smoke investigations. Rescue calls and motor vehicle accidents are at no cost to the town and involved almost 1,000 personnel hours. This does not include training and meeting time.

EQUIPMENT

The 1978 Ford and 1965 International pumpers are in good condition although we have encountered some difficulty in securing parts for the International. The 1978 Mack tanker is in good condition as are the rescue and forestry vehicles. The old tanker remains available for seasonal use.

1986 WARRANT ARTICLES

The 1954 Ford pumper-hose reel has been taken out of service. Thanks to a very generous gift by USCI-C.R. Bard, we now have a 1976 GMC cab and chasis. We had asked the Budget Committee for $22,000 to convert this vehicle to a new pumper-reel truck. The Committee has recommended $10,000 for this purpose with the balance of the project to be completed if funds are awarded in 1987. Although the Budget Committee has had many demands for capital projects, we had hoped to accomplish this modest project in one year with the full amount requested. To have proceeded with the purchase of a new vehicle to replace the 1954 Ford might well have cost four to five times the amount of this project.

Although we would have preferred to have the entire $22,000 requested for this project, we would request your support for the $10,000.00 allocated in Article 19 of the Warrant. We would also request your support for the $1,000.00 appropriation for protective gear.

We also requested a $10,000.00 sum for Capital Reserve toward the purchase of a new class A pumper when the International is retired. This was not approved by the Budget Committee.

Again this year the Board of Selectmen worked on the concept of upgrading the Village Police-Fire Station. This project will not be before the voters, however, we urge the town to continue considering the needs of the Police and Fire Departments in the village area.

Respectfully Submitted,

Edwin O. Mattson, Jr., Chief
William N. Prigge, Assistant Chief
Winston A. Wright, Deputy Chief

POLICE DEPARTMENT REPORT 1985

1985 was a year marked by unprecendented tragedies in Fitzwilliam. Six persons died, 5 in traffic accidents and 1 in the fall of a young man from a ledge at Webb Quarry. The traffic accidents occurred on Fullam Hill Road, Route 119 (Rindge Road) and Route 12 (Winchendon Road) respectively. In each instance, the victims had no apparent chance. Don't ever forget that it could happen to any of us; don't let your guard down!

The Highway Safety Program instituted at last year's Town Meeting, calls for a 40% increase in enforcement as the means to reduce our climbing accident rate by 20%. Thus far we have not been able to sustain the enforcement effort because of demands elsewhere. Yet, we have still been able to reduce accidents after 6 months into the program. There were 49 reportable accidents, with 22% involving injury. Most occurred on Route 119, while those on town roads and Route 12 were relatively even. Road conditions were the chief cause of accidents, followed by driver violations and inattention.

Our most significant accomplishment was, again, the successful investigation of crimes, with most serious cases cleared. 51% of reported crimes were cleared. Property crimes continue to be the most prevalent (77%) and we cleared 42% of them. 31% of the cases we investigated were felonies, 47% misdemeanors, 17% violations, and 5% were others.

We made 64 custodial arrests, 35 were traffic related. 49 adults and 15 juveniles were arrested. Interestingly, 53% had been drinking liquor or were intoxicated by a substance when arrested; not to mention the portion that were in that condition when they committed the offense. The inescapable conclusion (not surprisingly) is that substance abuse is a significant factor of anti-social behavior around here. 14% of the arrests were for felonies, 34% were for misdemeanors, and 52% were for violations or status offenses.

As I have reported to you before, we place emphasis on responding to service calls, investigating crimes, and traffic enforcement; in that order. 1,099 calls for service, our primary duty, were received and handled last year. We drive approximately 51,000 miles on our 2 vehicles, made 682 traffic stops, and made 1,767 property inspections.

I am offering no new ideas for this year, just improvements on what works. This means developing more active part time officers, more responsive and effective animal control, and a continued effort toward improved efficiency. In spite of this "nothing new" approach, costs have dramatically increased. The Fair Labor Standards Act, which has previously not applied to public safety employees, now applies effective April 15, 1986. The FLSA provides for certain requirements like those of private sector employees, such as a maximum number of hours worked, overtime, etc. Some towns have coped with this change with staggering budget increases. We are trying to comply through other ways. This is largely because of the town's police officers, who recognize the burden to you and are going above and beyond to keep these costs down.

The matter of a suitable home for the police is being debated again. We are not able to service the public on a second floor, we have no means of escape, and our stairway is a potential liability. We have no place for discrete conversation, interrogation, or privacy. Your suspicions, fears, and confidences are open to anyone there. We have no means of

detaining someone. This all means only that we should be on ground level with a suitable floor plan, not that we need something grand. A functional facility is the most valuable piece of equipment in our business. Please keep the issue under consideration.

I wish to thank all those who helped and supported our department throughout the year. Much of our success is due to the great relationship we have with our community. Don't ever think of your call as being a nuisance, it's important that we hear from you.

Respectfully submitted,

Kurt F. Schimke

HIGHWAY REPORT

Brush cutting, roadside mowing and removal of dead trees was done on many roads including Cap Mt., Scott Pond, Jock Page, Perry Road, East Lake Road, Templeton Turnpike, Angier Road, Old Coach Road, Holman Road, Lower Templeton Road and Rhododendron Road.

Culverts were cleaned or replaced, ditching work, patching and grading was done throughout the town.

Stone sealing was done on Upper Troy Road (1.7 Miles), Fullam Hill Road (3 Miles), Holman Road (1.3 Miles), for a total of 7.4 miles.

Equipment repair, general road repair and the care and upkeep of the dump was also done.

Respectfully submitted,

James Dunham

TOWN HISTORY COMMITTEE REPORT

The committee wishes to thank all those who helped to make this up-dated town history a reality.

As with most works of this nature, there are bound to be errors and omissions which are not caught in time. Those errors and omissions have been noted and placed on record for future history committees and historians to review.

Sales of this history have moved along well for the first year of sales. It might be noted that Nortons Town History, which covers the first period took some 60 years until the last ones were sold, and today they bring a high price if one can be found for sale.

New Hampshire Profiles Magazine of July 1985, in its book review section gave our up-dated history an excellent review. For those who wish to purchase an up-dated history, they are available at the Town Clerk's office during regular clerk hours.

Respectfully submitted,

Robert Corrette, chairman

PLANNING BOARD REPORT 1985

This has been a busy year for growth in the town. The Board has reviewed 37 requests for subdivisions, and 6 requests for site plan review, some of which are still to be resolved.

The Board is in the midst of reorganizing the town Land Use Ordinance to meet the ongoing needs of the town. The revised ordinance will be ready for Town Meeting 1987.

The board will also be updating the Town Master Plan and help from the public would be greatly appreciated.

The Board meets twice a month on the first and third Mondays at 7PM at the town hall. The first meeting of the month is for general planning issues and specific planning work. The second meeting is for public hearings and continued old business.

Notices of the agenda are placed in the town newsletter and at town hall. The board would appreciate anyone having business with the Board to give us a call prior to the meeting so that their item may be placed on the agenda.

I would like to thank all those who have helped this past year.

Respectfully submitted,

Robert W. Brown, Chairman

TOWN HALL AGENT REPORT 1985

The town hall was opened free for the following organizations; the Elliot Institute, the Fitzwilliam preschool, the Federated Garden Clubs of America, the Emerson School PTO, the Board of Adjustment, the Planning Board, Historical Society, Fitzwilliam Recreation Committee, Fiddlers Choice Music and Friends of the Old Patch Place.

The town hall was opened at charge to Judith Golden, Sherry LeBlanc and Jim Baldwin one time each for a $20.00 fee each and the Trinity Baptist Church 52 times @ $20.00 each time.

Fitzwilliam District Nursing Association, Inc

Because of the many recent changes in health care funding, the role the Fitzwilliam District Nursing Association has had for a number of years in the delivery of home health services to our town residents is changing. The organization will no longer be involved in the funding process for these services; the town will deal directly with the provider organization, Home Health Care and Community Services, Keene, N.H. Our district nursing organization, a group of local volunteers interested in supporting nursing and health care in Fitzwilliam, will continue to identify those in need, to link those needs with services and to spread the word that someone does care and wants to help.

We hold a blood pressure clinic on the 2nd. Wednesday of every month, loan medical equipment (canes, walkers, hospital beds, wheelchairs, commodes) to local residents, provide rides to medical appointments when needed. The Christmas Baskets Program continues to be the major annual activity, supported by the energy of many volunteers and the donations of local individuals and businesses.

SPORTSFIELD COMMITTEE

The Sportsfield Committee is slowly but surely working towards its goal.

Our first project was to find a suitable area for a field. Several flat areas of land being privately owned were not for sale or not the right size. Property behind Webber's Store and on Route 12 south, just beyond Keene Clinic,were ruled out because of wet land and drainage problems. Our choice was Emerson field behind the Emerson School. Some work has already been done on the field and it is centrally located and easily accessible to school children and recreation programs. The land is owned by the Monadnock Regional School District as is land where our tennis courts and pole barn are located and seems to pose no problems according to the lease and the School Board.

We would like to thank the town highway department for all the rough fill from the Fullam Hill road project. The current estimate of fill to bring the field to level is about 8,000 yards. We would appreciate any fill from other town projects. Any rough fill will help reduce the amount of better grade fill needed later on to finish the playing area.

We have also discussed having a construction company drill test holes around home plate area to determine if it would be cost efficient and safe to rip down the ledge. By lowering home plate area, we could reduce the overall cost for fill to level the field. We will continue to look into this project.

I talked with Mr. Dave Edkins, Southwestern Regional Planning Commission, about applying for matching grants or funds through the land and water conservation fund. Grants are awarded through the Federal National Park Service. I have sent for, and received, information for application for this grant from John B. Penny, Concord, N H.

Cost of fence was discussed with Grover Howe of Cheshire Oil. The existing back stop and 4' fence on the right and left of the backstop, which he put in about 10 years ago, is in excellent condition. There will be no permanent outfield fence as this would limit the use of the field to little league ball only. By leaving the field open, utilizing a portable, collapsible fence when needed for little league or softball, field hockey, soccer or other sports, or events needing an open flat area could use the sportsfield also. Price for this would depend upon fence and post gauge and whether or not a jack hammer would have to be used to get through the ledge.

The construction of two dugouts was discussed with Harold Raitto. Price of cement, block, size of building, labor, etc. would determine final cost of dugouts.

The $500.00 alloted this committee to further this study was not used.

We will continue to work on the Sportsfield project.

Respectfully submitted,

Sue Bemis
